(Las Vegas) – William J. Acton, MAI, an appraiser with Restrepo Consulting Group LLC (“RCG”) has prepared three valuations for a proposed 1,281-acre project expansion of the Yuma Marine Corps Air Station military base and airport in Yuma, Arizona for the U.S. Navy. The Yuma Marine Corp Air Station is the principal pilot training facility for the Marine Corps. The base expansion is intended to accommodate the air base’s expansion needs for the next 30 years.
